Ref: Lotfi A. Zadeh's era, outlook and philosophical views

To whom it may concern,

This letter is to confirm that the book, preliminarily titled “Lotfi A. Zadeh's era, outlook and philosophical views”, by Khatira Guliyeva, has been accepted for publication by Cambridge Scholars Publishing. The book will be published when it has passed the prepress review stage. The author, Khatira Guliyeva, and publisher, Cambridge Scholars Publishing, have signed a contract; the author retains the copyright to the publication.

I can also confirm that the proposal was reviewed by our experienced proposal board and, on the basis of its academic merit was accepted for publication. Cambridge Scholars Publishing is listed in the Clarivate Analytics Web of Science Master Book List and this can be confirmed at the following address: <http://wokinfo.com/mbl/publishers/>.

Cambridge Scholars Publishing is an independent academic publisher, committed to providing a forward-thinking publishing service that champions original thinking, whilst ensuring we put our authors at the heart of everything we do. Founded by former lecturers and researchers from the University of Cambridge, we publish original academic work across a wide range of subjects in four key areas: Humanities and Social Sciences (HSS); Health Sciences (HS); Physical Sciences (PS); and Life Sciences (LS). We are unique in the balance we establish between our editorial guidance and the level of control retained by each of our authors, acknowledging the value they place on presenting their own work in a way that retains the integrity of their original argument. If you have any questions, please do not hesitate to get in touch.
